HOMECOMING WEEK

DeKalb's homecoming week this year was full of many students showing their school spirit by participating in the themed days planned. On Monday students were pairing up with one or several friends to put together a dynamic duo. One of the duos were Madison Arnold and Samantha Cruz who came to school as the ionic best friend duo of Harry Potter and Ron Wesley. On Tuesday students came to school dressed straight from another generation, some were parents, grandparents, babies, and toddlers. Mary Warden and Lidia Norton dressed as thought they were going to bingo, while Mr. Frank and Ross Dohm pulled a major switch and swapped styles. On the final day of the week, Wednesday, students showed their pride by wearing their class shirt/colors and at the end of the day, the juniors and seniors played a game of powderpuff in which the seniors won.

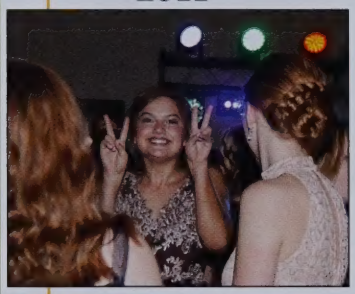
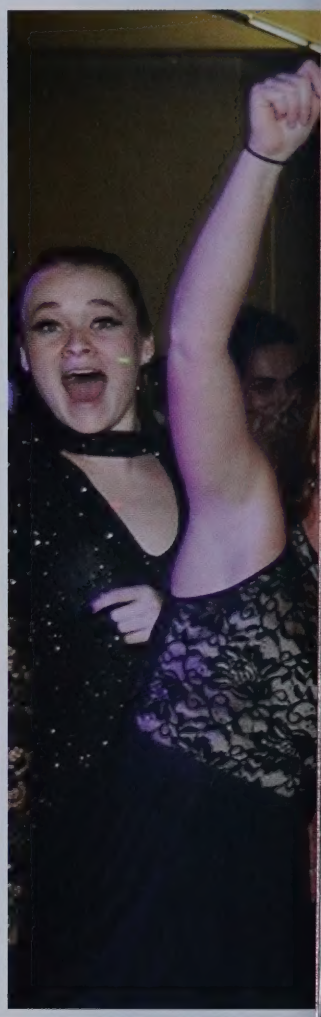
SEMI FORMAL

DECEMBER 9TH 2017

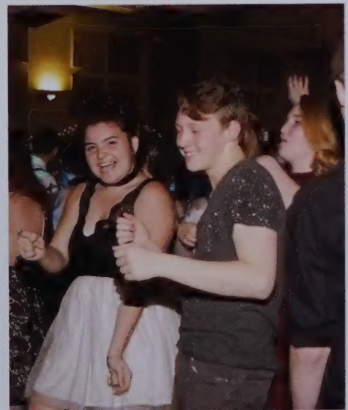


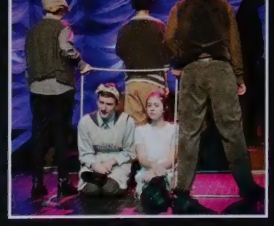
WILL YOU TAKE THE CHANCE TO DANCE?



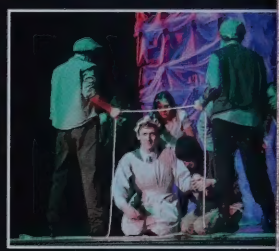
BOHEMIAN BALL

The first dance of the school year fell right into the excitment of the holiday season. Escaping cabin fever, high school students attended the annual semi-formal organized by the DeKalb High School Art League. The Art League students hand crafted dream catchers, mandalas, hanging flowers, and various other props to transport the dancers to a Bohemian atmosphere. Barons shined their dancing shoes and put on their favorite groovy dresses. Ethan Lower and Jacob L'Etoile felt the adrenaline surging through their bodies as they performed a dance off. Handstands and breakdancing were both a crowd favorite. Many seniors took their last opportunity to dance with their closest high school pals. All in all, the semi-formal was a success and everyone danced the night away!

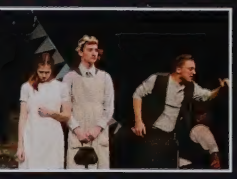


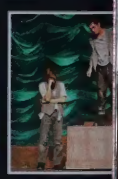


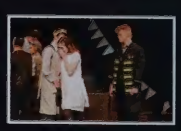
Peter and the Starcatcher

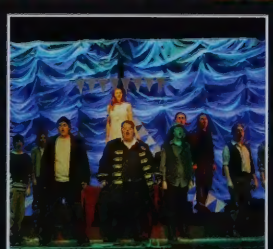


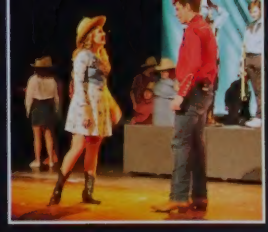
Peter and the Starcatcher is the backstory of Peter Pan, the lost boys, Mrs.Darling, Tinkerbell, and Captain Hook. Peter and Wendy's mother, Molly, are aborad the Neverland trying to get the magical starstuff back to Molly's father who needs to destroy it. Black Stache, who later becomes Captain Hook, believes that what is on the ship is treasure, so he is trying to track it down. Peter stays on the island after he falls into the starstuff that got soaked up by the sea. Peter and the other boys upon the ship, Ted and Prentiss, who later become lost boys, stay on the island and find a fairy who they call Tinkerbell.

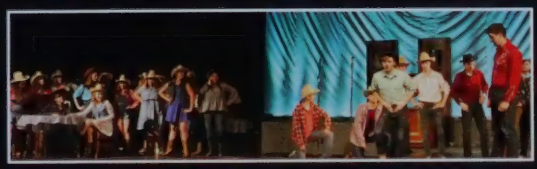


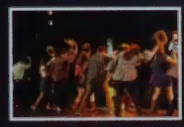


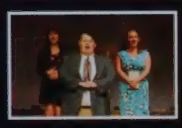


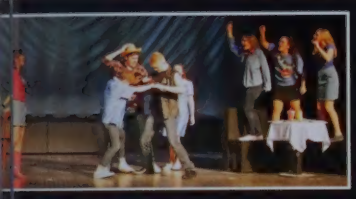


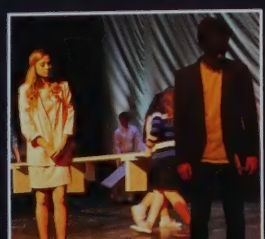


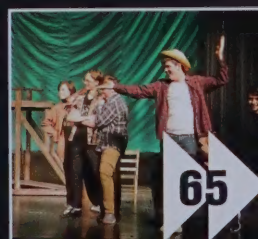




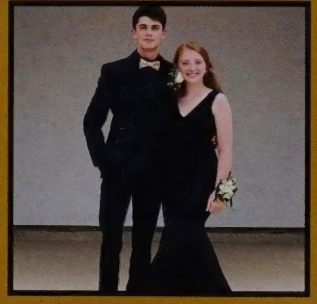


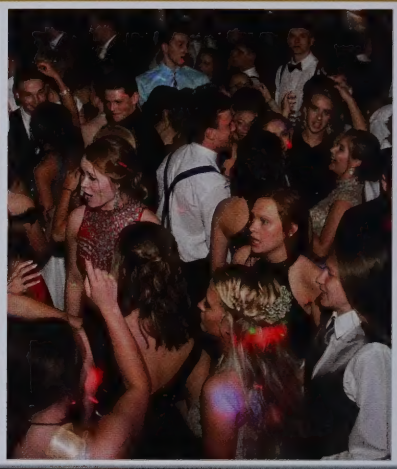


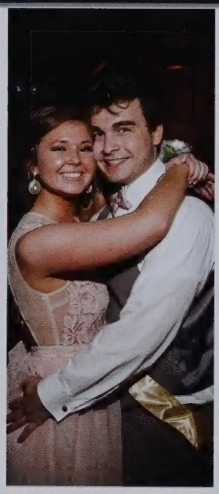




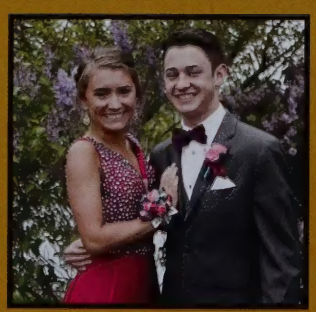
Footloose is the story of a city boy, Ren McCormack, who moves to a small town in Oklahoma where a local minister gets dance and rock music banned. Along the way, Ren starts to fall for the minster's daughter Ariel who has an abusive boyfriend, Chuck. Ren and other students, who want to dance decide to plan a senior prom to change the rules.

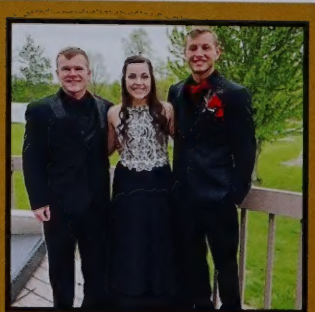






The Great Gatsby





PROM 2018

On May twelfth, the DeKalb Junior Senior prom traveled back in time to the Roaring 20s. As students relived the Jazz age for the Great Gatsby theme, they dressed in their most eye-catching gowns & tuxes to dance the night away. The night began with the annual grand march to add to the pre-prom excitment. Prom was followed with photos, music, and laughter! The 2018 prom created lasting memories and was a complete success.

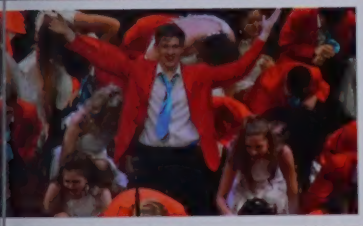
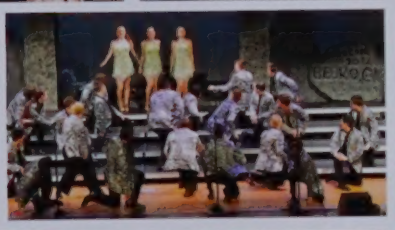
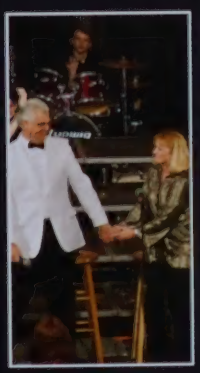
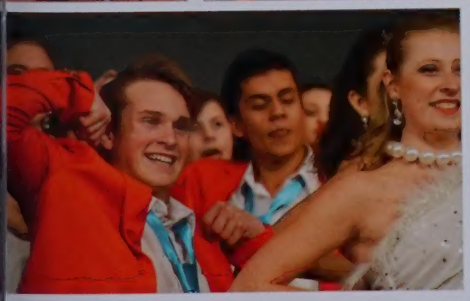
"A Modern Stone Age Family"

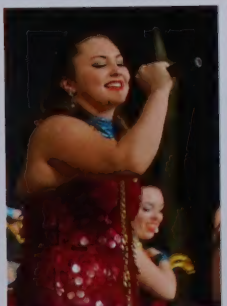
Behind all of the vocals and choreography, the DeKalb Showchoirs are the closest a group of individuals can get. Shelley and Kent Johnson have made an impact on all of the lives of those in show choir, and they will be missed. This family never ceases to amaze those who sit down to watch such a talented group of individuals perform. They are definitely a sight to see!











2018 DeKalb High School Commencement Ceremony

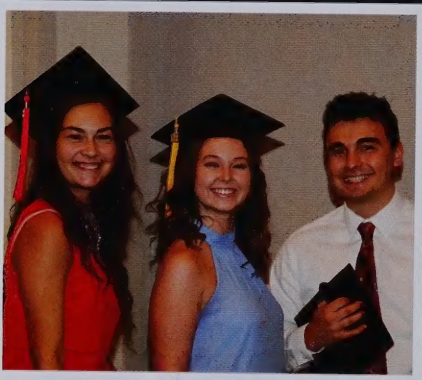
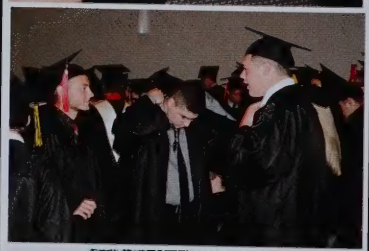
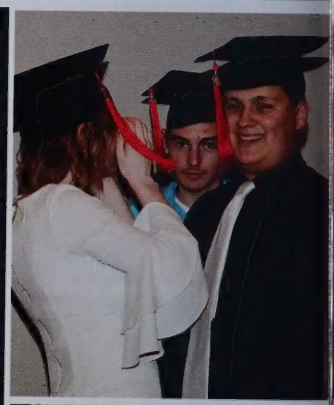
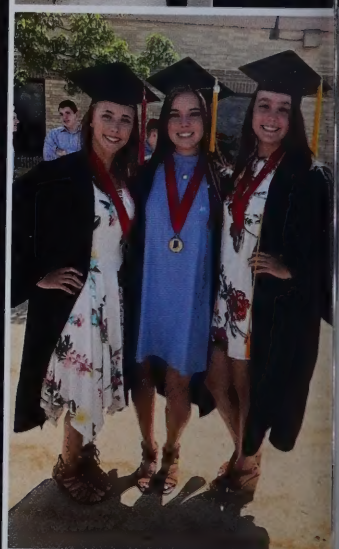
"Go Confidently in the Direction of your Dreams. Live the Life you have Imagined."









CLASS OF
2018

"13 years ago we were on our way to our first day of school, 3 years ago we were getting yelled at to sit at the top of the bleachers because we were freshman. Today we're sitting here waiting to finally walk across this stage, to get our diploma. Thank you teachers, and thank you administration, for turning off the WiFi during ISTEP testing and then never turning it back on!"
-Jill Kuhn

WELCOME

VALEDICTORIAN

"When I reflect back on our high school careers they can easily be compared to a race. In the beginning we had no idea what the rest of the race would hold and we had to trust in the process and our coaches. In the middle we were forced to persevere when many of us wanted to throw in the towel. And now we are surging towards the finish line because the end is in sight as we sit here together as one team."
-Lauren Beckmann

"Right now, the Class of 2018 is here together for the last time. We have all had our own journeys to get where we are today but need to remember that all of our experiences, the good ones and the bad ones, have helped build character in each one of us while helping us find our way in the world. Never accept mediocrity- strive for more, show the world how great you are, and never stop learning."
-Sara Muckenfuss

SALUTATORIAN

FAREWELL

"To the class of 2018, thank you for the countless memories made within the walls of this building. As we go our separate ways, remember to thank those special to you, but also remember to thank yourselves because you studied, you worked, and you even wore school appropriate clothes! Best of luck and farewell class of 2018."

-Brooke Evans

Every Play, Every Day

A Coach's Input:

"Another respectable year for DeKalb Lady Baron Soccer. 13-3-2, 6-1 in the conference. We must be mentally tough in all that we do. Our success this season showed how important that can be! Always Live, Breathe and Believe in Lady Baron Soccer!" - Coach Cochran

Behind all the Plays

Behind all the goals, drills, and kicks, the Lady Baron Soccer team is a family on and off the field. Any one will find that an amazing team on the field, brings team players off the soccer field. This soccer team is more than just an amazingly talented group of individuals, they are people who see the members on their team as members of their own family. With this kind of mindset, this family will definitely go far on the field and in life together.

How has soccer become such a big part of your life?

The 2017 girl's golf team was all about family. The top three players: Lexy, Bayley and Ally are sisters with their dad, Trent, the coach. We asked the Stuckey Trio to give us an inside look on what it's like playing golf every day with their sisters and father.

What is it like playing with your family?

Lexy Stuckey

"Being on a team with Bayley and Ally has made our relationships stronger and has made our victories greater. Most people assume that we argue and are beyond competitive with each other, but it all comes down to supporting each other and keeping each other's spirits up."

Ally Stuckey

"Playing golf with my family for this team was one of the best experiences I have ever had. Every match I knew I could rely on them to pick me up if I was struggling. Together, we were constantly laughing and having fun. Golfing with people who have as much passion, love, and dedication for the sport as I do, was one of the best experiences I've had in life."

"My favorite memory from being on the golf team was when I was uncontrollably laughing during the conference rules meeting my Sophomore year."
- Jared Reutebuch

"My favorite memory about being on the golf team was going out to eat with the team after every home match at bdubs, and the friendship Josh Gabe and Bailey have."
- Jacob Williams

"My favorite time in golf this year was when we had to do a 30 second video and it ended up taking 20 mins out of our practice."
- Ben McKown

Special Thanks

The 2018 Yearbook Staff put together a great book for our 51st edition, so we hope you enjoy it! The staff worked diligently to try to get everyone in the book 3X; there were some people who refused to have a picture taken or give a quote, so they may not appear more than the school photo. Thank you to the students, coaches, and staff who agreed to give quotes and pictures for various spreads in the yearbook.

The 2018 Staff chose the theme "from All Angles a Baron's Touch", and incorporated the theme in various ways throughout the book. On the cover, you will notice the different angles of the featured pictures. You should also notice the seniors' names making the finger print for the "Baron touch" along with the raised paper used for the cover of the book.

The 2018 Saber Staff would like to thank those who helped or contributed to the production of this publication in some way. Thank you to Josh Reidy, our Josten's Rep.; Michelle Hollandsworth, our Lifetouch Rep.; along with various other photographers who contributed multiple pictures to our book: Valerie Hackbush (show choir), John Franks (baseball and some football), Mr. Mohre (band and basketball), Laura Pentecost (volleyball), and Joe Allen (some football). There are many students who shared special moments and photos with us---Thank you!

Finally, we would like to end with a few final thoughts. We worked many hours both in and out of school to produce this book, and we are very proud of it. If you appear on a page, but you were not properly indexed, we apologize. **Thanks for the Memories!**
